

INDEX

Volume 32 • Issue 64 • 1990

Compiled by Patricia A. Fletcher

This issue comprises all of Volume 32

Mountains are listed by their official names and ranges; quotation marks indicate unofficial names. Ranges and geographic locations are also indexed. Unnamed peaks (e.g., P 2037) are listed following the range or country in which they are located.

All expedition members cited in major articles are included, whereas only the leaders and persons supplying information in the **Climbs and Expeditions** section are listed.

Titles of books reviewed in this issue are grouped as a single entry under **Book Reviews**.
